

# SKY-POND

## Multi-Dimensional Toxic Gas Reducer

### COMPOSITION

#### Each in1 kg contain:

- **Probiotics**

|                           |                          |
|---------------------------|--------------------------|
| Bacillus subtilis         | 1x10 <sup>9</sup> CFU/kg |
| Bacillus amyloliquefacien | 1x10 <sup>9</sup> CFU/kg |
| Bacillus licheniformis    | 1x10 <sup>9</sup> CFU/kg |
| Lactobacillus plantarum   | 1x10 <sup>5</sup> CFU/kg |
- **Yeast**

|                          |                          |
|--------------------------|--------------------------|
| Saccharomyces cerevisiae | 1x10 <sup>5</sup> CFU/kg |
|--------------------------|--------------------------|
- **Enzyme**

|               |             |
|---------------|-------------|
| Protease      | 400 Unit    |
| Amylase       | 40,000 Unit |
| Betaglucanase | 400 Unit    |
| Xylanase      | 4,000 Unit  |
| Cellulase     | 40,000 Unit |
- **Yucca Schidigera**

|         |         |
|---------|---------|
| Saponin | 10 g/kg |
|---------|---------|
- **Zeolite**

|                                                  |           |
|--------------------------------------------------|-----------|
| Silicon dioxide (SiO <sub>2</sub> )              | 150 g/kg  |
| Aluminum Oxide (Al <sub>2</sub> O <sub>3</sub> ) | 35 g/kg   |
| Potassium Oxide (K <sub>2</sub> O)               | 5 g/kg    |
| Ferric Oxide (Fe <sub>2</sub> O <sub>3</sub> )   | 1.5 g/kg  |
| Sodium Oxide (Na <sub>2</sub> O)                 | 500 mg/kg |
| Magnesium Oxide (MgO)                            | 300 mg/kg |
| Calcium Oxide (CaO)                              | 125 mg/kg |
| Carrier: add to                                  | 1 kg      |

### BENEFITS

- Reduce Ammonia, Nitrite, Hydrogen Sulfide and other toxic gases
- Reduce odor as of plankton drop
- Suppress the suspension in water
- Digest organic waste
- Improve water quality

### DOSAGE & ADMINISTRATION

#### Dosage:

- Prevention: 500 g /100 decimal
  - Control: 1kg/100 decimal of
  - Pond Preparation: 1-2 kg/100 decimal
- On the basis of 1.0-1.5 meter water depth & only once
- Administration:** Spread all across the pond.  
Or, as recommended by aquaculture specialist

### PACK SIZE

500 gm, 1 kg
